

# MAKING CONNECTIONS CONTACTS TO ASSIST WITH WORK-BASED LEARNING OPPORTUNITIES

## CHITTENDEN

With the passage of Act 77, the Flexible Pathways Initiative, the State of Vermont has made career development a priority for the public education of Vermont's youth. Accordingly, opportunities are arising for Vermont's employers to actively participate in the next generation's real-world work-based learning experiences. This is meant to be an easy reference guide to contacts in your county that would be delighted to hear from you on how their students may benefit from learning more about you, your company or industry.
